QuantERA Call 2019

Supporting research
on Quantum Technologies

Deadline for short and full proposals (joint submission): 18th of February 2019

Documents and procedures: www.quantera.eu

Call Information: Jérôme Lasne
+33 (0)1 73 54 83 38
jerome.lasne@anr.fr

Tentative call budget: EUR 20M

QuantERA is a European Research Area Network supporting research in the field of Quantum Technologies (QT) within the European Union's ERA-NET Cofund scheme. The consortium consists of 32 partners from 27 countries, coordinated by the National Science Centre, Poland.

QuantERA's 1st call for proposals attracted high interest of the scientific community with 221 applications submitted at the first stage. Thanks to the joint funding provided by the European Commission and the QuantERA member organisations, QuantERA Consortium selected 26 excellent international proposals.

Tentative Call Calendar

November 2018 Call publication

18th of February 2019, 17:00 CET **Deadline for short and full proposals submission**

End of April 2019 Notification of selected short proposals

September 2019 Notification of selected full proposals

Fall 2019 Start of funded projects

QuantERA Call 2019

Funded projects are expected to address one or more following research areas:

- ◆ Quantum communication
- ◆ Quantum simulation
- ◆ Quantum computation
- ◆ Quantum information sciences
- ◆ Quantum metrology sensing and imaging

INTERNATIONAL CONSORTIUM

The project consortia must have a minimum of three partners requesting funding in at least three countries participating in the call

STANDARD CONSORTIUM SIZE

Three to six partners

EVALUATION

Short and full proposals are evaluated based on criteria of excellence, impact and quality and efficiency of the implementation

DURATION

Projects may be funded for 24 or 36 months

NATIONAL/REGIONAL ELIGIBILITY FOR FUNDING

Each partner must fulfil the conditions of the national/regional research funding organisation (please refer to the Call Announcement on www.quantera.eu)
